MEMORANDUM FOR THE DEPUTY DIRECTOR
EXECUTIVE DIRECTOR

Subject: Distribution of NSCID's and DCI's

1. As I understand it, ICAPS as the Secretariat for the IAC is responsible for distributing to the half-dozen members of the IAC the NSCID's and DCI's which are issued.

2. The NSCID's are sent here from Mr. Souer's office in large batches which are turned over to the Executive Director after copies are withdrawn for the ICAPS members and the ICAPS files. The NSC sends the NSCID's directly to the IAC Agencies, and one for Mr. Forrestal's office.

3. DCI's, however, are prepared in our own shop so we should like to know how many copies are to be made from the stencil. DCI 4/1 "National Intelligence Objectives" is ready to go out at this time.

4. We shall need 34 copies for the six IAC Agencies; one for Mr. Forrestal's office; one for the Executive Secretary of the National Security Council; two for ICAPS files; five for ICAPS members. We think the people receiving the NSCID's should have the same number of DCI's. How many more do you want, or would you prefer to have us give you the stencil?
